

ALL THE WAY UP

Licensed EDMT Labor for Construction Elevators

BASED IN GTA • SERVING ALL OF CANADA

Industrial • Commercial • Residential

Two fully licensed EDMB mechanics available anywhere, anytime.

Install • Repair • Dismantle • Lease • Sell • TSSA Compliance

OUR SERVICES

■ Licensed EDMT Labor

Two fully licensed EDMB mechanics available for service **anywhere, anytime** across Canada. Union-certified crews ready for day or night shifts.

■ Construction Elevator Installation, Repair & Dismantle

Full turnkey services for construction elevators on high-rise projects. We handle everything from delivery and setup to ongoing maintenance and final dismantle — anywhere in Canada.

■ Full-Service Leasing & Rental Programs

Flexible leasing and rental options for construction elevators and access equipment. We provide complete packages including delivery, install, service, and dismantle.

■ Equipment Sales

Quality new and used construction elevators and hoists. We help you choose the right equipment for your project and offer competitive pricing.

■ Consulting Services

Expert advice on elevator planning, site requirements, TSSA compliance, and optimizing your vertical access strategy for maximum efficiency and safety.

■ TSSA Compliance & Owner Support

If you own elevators, we help get them ready for use. Engineer drawings, TSSA submissions, code compliance, installation, repair, and ongoing service — we make it simple.

WHY CHOOSE ALL THE WAY UP

● 2× Licensed EDMB Mechanics

Available anywhere, anytime across Canada — day or night.

● Union Certified

Local 793 — professional, reliable, and fully compliant crews.

● Canada-Wide Reach

Industrial, commercial, and residential projects from coast to coast.

● TSSA Signatory

Full code compliance, engineer drawings, and submissions handled for you.

● Complete Solutions

From labor supply to full equipment ownership programs with buyback options.

● Safety First

Every job backed by proper JSAs, training, and documented protocols.

ABOUT US

All The Way Up is a GTA-based company specializing in licensed EDMT/EDMB labor and construction elevator solutions across Canada. We provide certified mechanics, full installation/repair/dismantle services, equipment leasing, sales, and TSSA compliance support.

Whether you need skilled labor for a high-rise project or help getting your own elevators legal and operational, we deliver professional results with safety and compliance at the core.

OUR WORK — BUILT ON THE SKYLINE

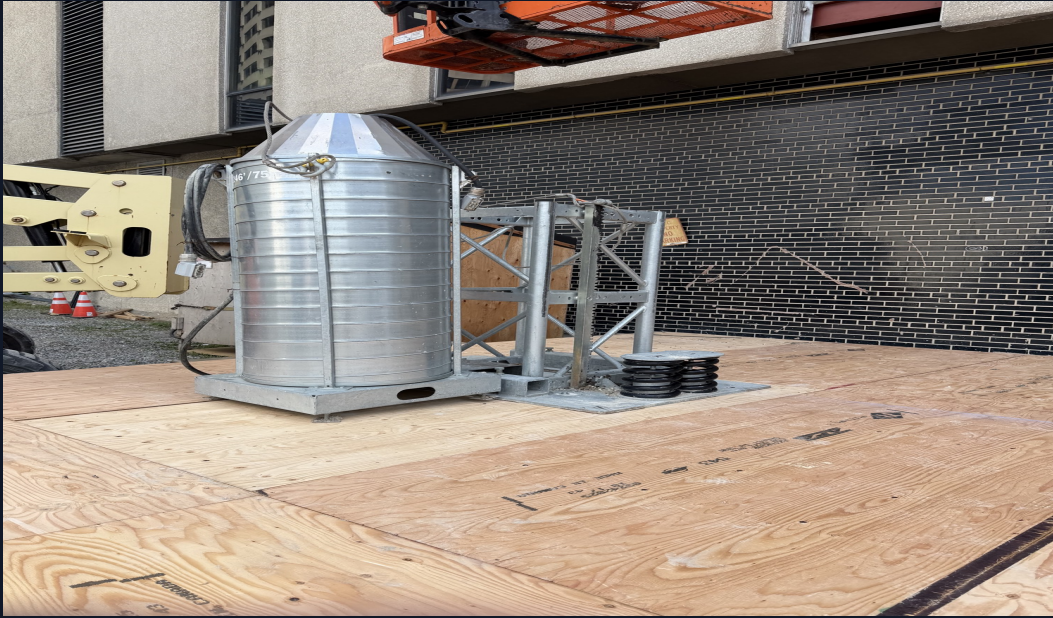

Real projects. Real crews. Real results across the GTA and beyond.
